*Subject to sub-paragraphs (2) to (7) of The Parish Councils (Model Code of Conduct) Order 2007, a Member with a personal interest in any business of the authority must disclose the nature of that interest to the meeting at the commencement of the consideration, or when the interest becomes apparent. Where a Member has a personal interest in any business of the authority they also have a prejudicial interest in that business where the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the Member's judgement of the public interest. In such circumstances, the Member must withdraw from the meeting room whenever it becomes apparent that the business is being considered at that meeting unless a dispensation has been obtained from the authority's Standards Committee. It is not practical to offer detailed advice during the meeting on whether or not a personal interest should be declared, or whether a personal interest should also be regarded as prejudicial. Members are advised to seek the advice of the Clerk well before the meeting as it may be necessary to refer the matter the Monitoring Officer for a decision.*
